HAMILTONIAN '70

Jean H. Palmiter

"Dandelion Days"

All our dandelion days are done
And so we'll run the fields no more
In search of wild roses
That grow out on the moor.

All our dandelion days are done
And so we'll turn our heads away
From every silver morning
And every golden day.

But sweet September's open arms
Belonged to us and held us once
Remember when the summertime
Sang songs to us and only us.

All our dandelion days are done
And so we'll run the fields no more
For all the wild roses
Have withered on the moor.

The Student Council is, as usual, very busy this year. Aside from doing the traditional tasks of handling concessions and supervising the sale of individual pictures, the Student Council has revised the out-dated Student Handbook and started working on the possibility of having a Student Lounge. In order to create better relations with other schools, and to see how they function, the organization sponsored an Exchange Day with other schools in our league. Another project involved sending some of the school's old books to a poor Indian reservation in Arizona. With the helpful advising of Mr. Rikkola, the Student Council is accomplishing a great deal this year.

With its first undefeated season since 1942, the Varsity Football Squad won the league championship for the first time since 1964. This year's team was probably the most all-around in many years, with both the offense and defense showing great strength all season long. The offense was led by Dave Gillmore, completing 21 passes out of 48 attempts for a total of 560 yards. Don Marcellus had 16 receptions for a total of 450 yards. In rushing, Steve Frawley had 93 carries for 401 total yards and Don Marcellus had 46 carries for an average of 9.7 yards per carry. Linden Summers averaged 6 yards per carry with a total of 326 total yards rushing. Barc Potter ran 46 times for 322 yards. In scoring, the varsity squad had seven players scoring in double figures. Don Marcellus led the scoring with 14 touchdowns and 92 total points, Steve Frawley had 30, while Dave Gillmore had 28. Barc Potter and Mark Lamb had 26 points, Linden Summers had 24, and Don Lamb had 12. Don Marcellus' 103 tackles led the defense, with 28 of them unassisted. Both Steve Frawley and Dave Gillmore had 16 unassisted tackles, Dave having 45 total tackles and Steve having 65. Dave Gillmore led the interceptions with three. Linden Summers had two and Don Marcellus and Barc Potter each had one interception. As a unit, the defense allowed only 8.6 points per game while the offense had an average of 32.2 points per game. Coach Lamb and Coach Rider spent a tremendous amount of time working with the team and deserve a great deal of credit for the season's undefeated record. Mr. McArthur also deserves thanks for his work with game statistics. Next year's squad will lose a great many valuable seniors but there are many experienced underclassmen that will help next year's team.

Two things are very important in learning the game of football. The first is learning the fundamentals of the game and the second is the desire to work. This year's J.V. football squad exemplified these two necessities in football. Although the team lost two games during the season, the two games they won were very impressive. Mr. Bowers, the coach, feels that the entire team will be an asset to the varsity squad next year.

They are led by Co-Captains Ed Ray and Stan Fisher, Wayne Gallik, Alan Blinebry, and Mark Lamb. All five boys are seeing plenty of action for the Emeralds during this cage season. The remainder of the team is made up of juniors with boys like Don Marcellus, Don Lamb and John Halloran seeing plenty of action which will help the Emeralds next season. The Emeralds participated in the Christmas Tournament and the Section III playoffs. If the squad continues to work as hard as it has it will deserve any success that comes its way.

Composed of two sophomores and fourteen freshmen, the Hamilton Central Junior Varsity basketball team started off its season with a come-from-behind victory over Poland by a score of 52-49. Byron Howe and Jim Jones, returning from last year, saw a lot of action this year at the guard position. John Purdy, Frank Depta, Steve Ripley and Tim Holt, all freshmen, also showed a desire to win and a good understanding of the game. Under Coach Young, the squad worked well as a team and promised to be a great asset to the varsity squad in future years.

HOCKEY

Hamilton's 1969-70 hockey team coached by Mr. Ryan is once again a serious contender for league honors. Starting the season with games against such powers as Albany Academy and Ithaca the Emeralds are well prepared for league games. The first line, intact from last year's squad, is among the league's best and after the first game the defense appears to be jelling. The loss of four starters will hinder next year's team but a strong nucleus will remain to assure another successful season.

Under the coaching of Mr. Halloran and Mr. Ryan the 1969 golf team completed a rewarding season. Even though this was not a championship year, six starters are returning and the team's future looks bright. Captain Dave Gillmore with his all around play led the 1969 team.

BASEBALL

Last spring, the Hamilton Central baseball team had one of their finest seasons in three years. Led by catcher Don Marcellus, pitcher Steve Shablak and third baseman Doug Marcellus, the Emeralds posted a 8-4 record. This was good enough for a second place finish in the Center State Conference. Don Marcellus led the team in hitting with a .400 batting average. Close behind him were Barclay Potter, Dana Chapman and Steve Shablak with averages well over .300. Looking forward to next season the Emeralds will have back nine lettermen. These boys are Don Marcellus, catcher; Barclay Potter, shortstop; Stan Fisher, outfield; Steve Frawley, outfield; Al Lahue, second base; Marc Migonis, second base; Ed Ray, pitcher; Ed Blinebry, pitcher; Randy Kwiatkowski, pitcher. Under Coach Young, the 1970 season should be a strong season for the Emeralds.

These girls raised money to help pay for admission to a clinic at the end of the year and attended a clinic in Syracuse, where they learned new pep songs and ideas to promote spirit at pep rallies. The cheerleaders are selected on the basis of poise, appearance, coordination, and jump.

Miss Wyrick is the advisor and coach.

The Girls' Track team participated in two meets last spring. Although, in the overall standings the team did not rank highly, there were many outstanding individual performances. The team placed consistantly in the 440 yard relay, the 220, the softball throw, the running broad jump, and the hurdles. The team was coached by Miss Sandra Weeden.
